

Family History Starter

Some questions to get you started thinking. Use whichever fits your family.

Families are encouraged to submit wedding pictures, family pictures, church related snapshots, recent pictures or historical. Give information about the picture, such as who it is and/or the occasion or what is happening in the photo.

If you are scanning old photos, scan them at 300dpi and RGB for color, even if it is black and white. When sending copies of digital files, please send in the largest size and highest quality you have. You can attach them in an email to me: alicehofstad@okleelutheran.org
